

# Tim's story

My friend Tim likes eating hamburgers. However, he has a problem: he is gaining weight. As a result, he decides to go on a diet. He stops eating fast food, but he wants to do more. He really enjoys exercising. So, I suggest

joining a gym. At the beginning, he tried to go once a week. But he would like to go every day. I promise to go with him next time and we are both looking forward to going to the gym again.
