These are your **16 irregular verbs in the preterite tense**.

These are the ''yo' forms of the irregular preterite verbs. The idea is if you know the "yo" form, you can conjugate the rest of the verb. **Write the infinitive that these forms come from, some will be more obvious than others.** They are in this order for the purpose of singing them to the A,B,C song. Note the last two lines are repeats of the first two lines.
