Completa los siguientes párrafos con las palabras dadas a un lado o debajo de los textos. Siempre hay una palabra de más que no debes usar.
Encuentras un cuadro al final de cada texto lleva allí la palabra que te sobre.

¹ How It All Started

I remember my first diet; I was 12 years old. I obese, but I thought I . I to be like the thin celebrities in the magazines. In one week I 3 kilograms, but my parents got angry, so I to eat again. This made me feel really guilty.

That's how it . I was on and off a diet all the time. When I wasn't dieting I guilty because I would binge-eat. But, soon I found the answer: vomiting! In front of family and friends I would eat so much food that it was uncomfortable, then I would quietly go to the toilet and vomit.
