Hi Carol,

I was on a seaside holiday in Ireland last week with my family. I didn't enjoy the holiday because a lot of horrible things happened. First, my brother forgot his passport, and we missed our plane to Dublin. Mum was angry and shouted at him. Luckily, there was another plane and we got that. When we picked up our luggage in Dublin, my dad's suitcase wasn't there. In the end, it arrived by taxi the next day.

We took a bus to our campsite. We arrived late, and we were very tired. We put up our tents in the dark, but in the middle of the night my tent fell down. I took my sleeping bag and slept in the shower block.

The next day we went on a boat trip to an island. The trip took two hours and I felt seasick all the time. When we arrived, it started to rain. We sat in a café all morning, and then we got an early boat back. It wasn't much fun! For two days nothing horrible happened. Then, at the airport, someone stole my rucksack with my camera in it.

I was really pleased to get home!
