Subject: The sports centre

Hi Sucdi,

How are you and your family? We are all fine. I was so happy you came to my Eid party. Thank you for the delicious cake you made.

I want to get fit for the summer. There is a sports centre in Brixton. They have a women only day on Wednesdays. I want to use the gym. Do you want to come with me?

There is a monthly membership but I think we should try a day visit first. It's £3.00 for a day. We can go in the morning and have lunch there afterwards. Something healthy of course!

Please say yes. Love Amina
