

IT'S A HOT SUMMER DAY

It's a summer day
Let me see, let me see
Let's go
You and me, you and me.

It's a winter day
Let me see, let me see
Let's go
You and me, you and me.

It's a autumn day
Let me see, let me see
Let's go
You and me, you and me.

It's a spring day
Let me see, let me see
Let's
You and me, you and me.
