

FOOD, GLORIOUS FOOD. Spaghetti Bolognaise.

Read and choose the correct word for each number.

Last Saturday Katy decided to make Spaghetti Bolognaise, her favourite **Italian** pasta **2**.

First she put some cold water and some **3** into a big pan to boil.

When the water was **4**, she put the spaghetti into it to cook.

While this was cooking, she made the **5** for it. She **6** some onions with meat and **7**. She added some **8** but she put in **9**!

When it was ready she put the spaghetti onto a big plate and put the sauce on top. When she put her **10** into her mouth to taste it, it was horrible.
