

Trip to New York

Next summer my family and me will visit New York. We are planning the trip and we will use lots of different means of transport.

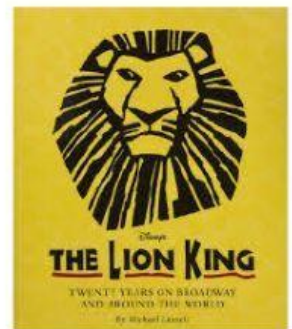

From Portocolom to Palma we will go by car. My father will drive it and we will go to the harbour. There we are going to take a ship to Valencia. My sister lives in Valencia and she will join us. From Valencia to Madrid we will take the train and then we will be flying by plane about eight hours to get the big city New York.

In New York we will use the tourist bus to visit the city and we will do an excursion by helicopter to see the city from the sky... I'm so excited about it!

One night we will assist to the musical Lion King and after this we will take a taxi to go back to our hotel.

I'm sure it will be a great experience!

1. Read and tick the means of transport we will use in our trip.
