

Love of My Life - Queen

Love of my life, you've

You've and now you leave

Love of my life, can't you ?

Bring it back, bring it back

take it away from me, because

What it to me

Love of my life, don't

You've taken my love, and desert me

Love of my life, can't you ?

Bring it back, bring it back

take it away from me because

What it to me

You will

When blown over and

all by the way

When I I will be there

to remind you

How I still love you (I still love you)

Oh, hurry back, hurry back

Please back home to me because

what it to me

Love of my life, Love of my life

Ooh
