3.

What have they been doing?

Make comments.

Each picture shows the result of an activity that has been taking place. First, make comments about the present results, using the adjectives in the box, as in this example:

- full
- clean
- flooded (inondé)
- exhausted
- wet (mouillé)
- sun-tanned
- dusty* (*poussièreux)
- furious

The road is flooded.

The farmer

The doctor

He

The beach

She is

The car

The koala

Now give an explanation with the help of the films below, as in this example:

The road is flooded because it has been raining a lot.

[rain a lot]

[a dingo ... attack the sheep]

[work a lot]

[lie in the sun]

[volunteers ... collect tin]

[surf]

[the tourists ... drive through the desert]

[eat eucalyptus leaves]
