I Just Can't Wait To Be King

HAKUNA MATATA

I'm gonna be a mighty _____

So enemies beware!

Well, I've never seen a king of beasts

With quite so little hair

I'm gonna be the main event

Like no king was _____

I'm brushing up on looking down

I'm working on my roar

Thus far, a rather uninspiring _____

Oh, I just can't wait to be_____!

You've rather a long way to go

Young master, if you think

No one saying do this

(Now when I said that, I)

No one saying be _____

No one saying stop that

No one saying see here

(Now see here!)

Free to run around all day,

Free to do it all my way!

I think it's time that you and _____

Arranged a heart to heart

Kings don't need advice

From little hornbills for a start

If this is where the monarchy is headed

Count me out!

Out of service, out of Africa

I wouldn't hang about

This child is getting wildly out of wing

Oh, I just can't wait to be_____!

Everybody look left

Everybody look _____

Everywhere you look I'm

Standing in the spotlight!

Not yet!

Let every creature go for broke and _____

Let's hear it in the herd and on the wing,

It's gonna be King Simba's finest fling
