I've got a house, just a crazy house!
 There's a chicken in the kitchen,
 And a panda on the sofa!
 There's a hamster on my computer,
 And a turtle on the table!
 I've got a house, just a crazy house! (x2)

There's a rabbit on the carpet,
 And an alligator on the radiator,
 There's a bear, sat on a chair,
 And a monkey's got the key!
 I've got a house, just a crazy house! (x2)
