Hi. I'm Danny Fletcher and I'm from Manchester, in the UK.

This is a photo of me in London, with my friend Rob (and his blue guitar), my friend Carla, her sister Emily, and Brutus, their dog.

We're in Carla's house. Carla is the girl in green, Rob's T-shirt is yellow, and I'm the boy with the microphone.

These people are very important in my life. Music is very important, too. Rob, Carla, and I are in a band. Our band's name is Purple Days. Brutus's favourite song is 'Saturday'.

My mobile phone is important too: all my friends' phone numbers are in it.
