

British Schools

Read the text and use the words in **bold letters** to label the pictures.

*Lis le texte et utilise les mots **en gras** pour légénder les images.*

The School Systems are different in the USA, the UK and in France. English pupils go to school from Year 1 to Year 13.

They always start with **Assembly**: every pupil from the school gather in the hall, sing the school's hymns and listen to **the Headmaster** giving some important information.

Pupils can have **lunch at the canteen** or bring their own **lunch-box**.

They must wear a **School Uniform**. Each school has its uniform.
