

ÁREAS

Calcula el área de los siguientes figuras planas. **Escribe primero siempre la fórmula**

$$A = \frac{\quad \times \quad}{2}$$

$$A = \frac{\quad \times \quad}{2} =$$

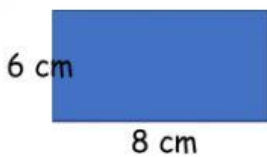

$$A = \pi \times$$

$$A = \pi \times \quad =$$

$$A = \quad \times \quad$$

$$A = \quad \times \quad =$$

$$A = \quad \times \quad$$

$$A = \quad \times \quad =$$
