

I'm not surprised

Not everything lasts

I _____ my heart so many times

I stopped keepin' track

_____ myself _____

I _____ myself _____

I get all worked up

Then I _____ myself _____

I tried so very hard not to lose it

I came up with a million excuses

I thought, I thought of every possibility

And I know someday that it'll all _____

You'll make me work so we can work to _____

And I promise you kid, that I'll give so much more than I get

I just _____ you yet

Mmm, mmm, mmm, mmm, mmm

I might have to wait

I'll never _____

I guess it's half timing

And the other half's luck

Wherever you are

Whenever it's right

You come out of nowhere and into my life

And I know that we can be so amazing

And baby your love is gonna change me

And now I can see every possibility

Mmm

But somehow I know that will all turn out

And you'll make me work so we can work to work it out

And I promise you kid, I'll give so much more than I get

I just haven't met you yet

They say all's fair

In love and war

But I won't need to fight it

We'll get it right

And we'll be united

And I know that we can be so amazing

And being in your life is gonna change me

And now I can see every single possibility

Mmm

And someday I know it'll all turn out

And I'll work, to work it out

Promise you kid, I'll give more than I get

Than I get, than I get, than I get

Oh, you know it will all turn out

And you'll make me work, so we can work, to work it out

And I promise you kid, to give so much more than I get

Yeah I just haven't met you yet

I just haven't met you yet

Oh, promise you kid

To give so much more than I get

I said love, love, love, love, love, love, love

Love, love, love, love, love, love

I just haven't met you yet
