Read this paragraph from a composition about friendship. Find the phrasal verbs and write them in the correct columns in the chart.

I have a lot of friends, but my best friend is Anna. She is one of those great friends you come by only once in a while. Anna knows how to cheer me up when I'm feeling bad, and she brings out the best in me when I'm feeling happy. Whenever I run into a problem, she always has great advice, and she usually helps me solve it. She never puts me down when I do something silly or embarrassing. I guess the thing I like best about Anna is that I can open up and tell her about anything, like bad grades in school or family problems. I would never turn her down if she needed my help. I would stand up for her in just about any situation. I really hope that we don't drift apart in the future. I don't think I could do without her friendship!
