

The possessive 's'

Meet my friends

Hello,
My name is Millie. These are my friends. Their names are Fred, Jim and Sandra.
Fred is 11 years old. His real name is Frederick but we always call him Fred. He likes to cook. He also loves to eat. His favorite food is Sushi.
Jim is also 11 years old. He likes to climb trees. His arm is broken because he fell from a tree last week.
Sandra is my best friend. She is ten years old, just like me. Jim is her brother. They have a dog. You can see their dog in the picture. It is small and its name is Bobbie.
We all go to the same school. Our school is next to the park. After school we often play in the park. Our favorite game is volleyball.
