

Divisibility Rule for 2, 3, 5, 6, 9, 10

Direction: Write Yes, if the number is divisible to the number being asked, otherwise write NO.

State whether the number is divisible by 2		State whether the number is divisible by 3	
3,628		93	
49,563		102	
293,434		2,123	
9,456,526		16,764	
234,552,550		137,658	
State whether the number is divisible by 5		State whether the number is divisible by 6	
75		1,221	
559		6,663	
990		48,264	
87,075		12,726	
478,645		33,270	
State whether the number is divisible by 9		State whether the number is divisible by 10	
135		230	
225		2,340	
324		42,465	
1,107		437,644	
23,302		383,487,660
