

El perímetro

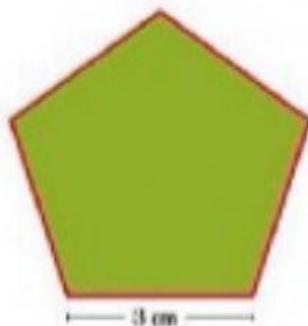

Calcula el perímetro de los siguientes polígonos y escribe el resultado. Hay que poner el número y cm, m ... o lo que corresponda sin dejar espacio para que la página lo corrija bien.

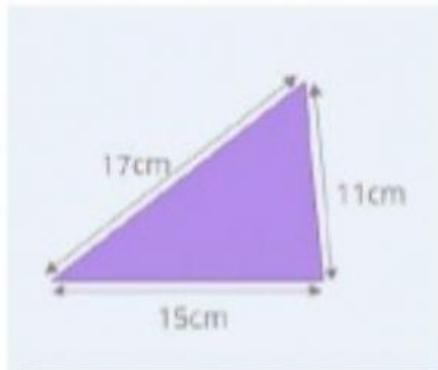

$$P = \boxed{\quad} \quad \boxed{\quad}$$

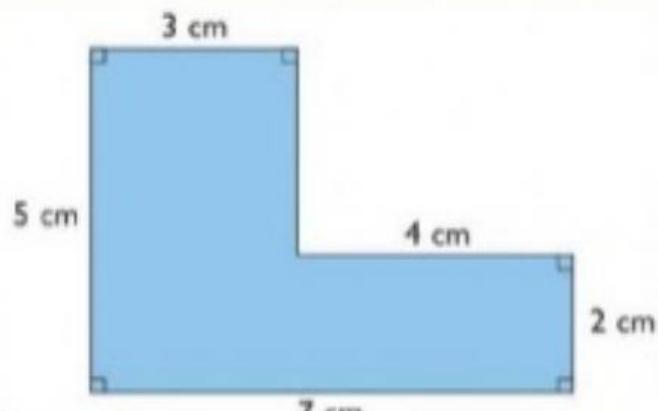

$$P = \boxed{\quad}$$

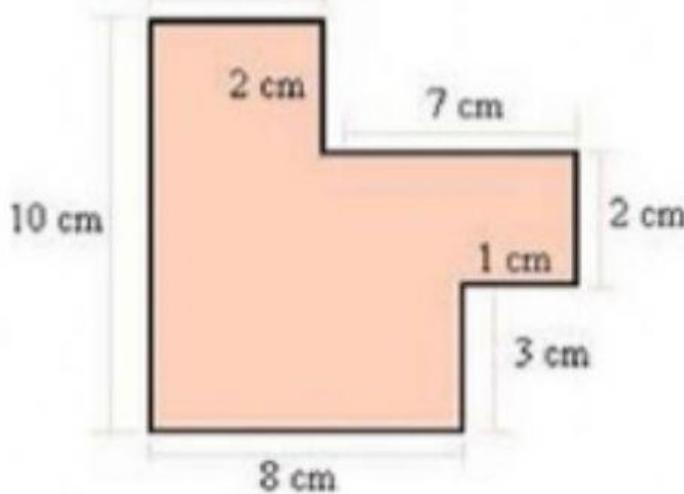

$$P = \boxed{\quad}$$

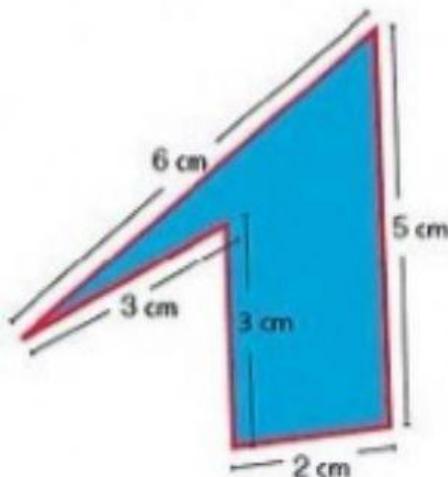

$$P = \boxed{\quad}$$

$$P = \boxed{\quad}$$

$$P = \boxed{\quad} \quad \boxed{\quad}$$

$$P = \boxed{\quad} \quad \boxed{\quad}$$
