

# Anybody Seen My Baby by The Rolling Stones

## 1. Complete the lyrics.

She confessed her 1\_\_\_\_\_ to me  
Then she vanished on the breeze  
Trying to hold on to that was just 2\_\_\_\_\_

She was more than 3\_\_\_\_\_  
Closer to ethereal  
With a kind of down to earth flavor

4\_\_\_\_\_ my eyes  
It's three in the afternoon  
Then I realize  
That she's really gone for 5\_\_\_\_\_

Anybody seen my baby  
Anybody seen her 6\_\_\_\_\_  
Love has gone and made me blind  
I've looked but I just can't 7\_\_\_\_\_  
She has gotten lost in the crowd

And I was flippin' magazines  
In that place on Mercer 8\_\_\_\_\_  
When I thought I spotted her

## 2. Circle the correct words.

And getting on a motor bike  
Looking really lady **live/like**  
Didn't she just give me **a wave/awake?**

Salty tears  
It's **three/thirty** in the afternoon  
Has she disappeared  
Has she really **go/gone** for good

Anybody seen my baby  
Anybody seen her around  
If I just close my eyes  
I reach out and touch the prize  
Anybody seen her **around/round**

Oh yeah that's what I'm sayin'  
We came to rock for Brooklyn  
And **Queens/Kings** and Long Island  
And all over the **word/world**  
We came to rock for everybody like this

Anybody seen my baby (anybody, anybody seen my baby)  
Anybody seen her, anybody seen her around  
If I just close my eyes  
I reach **up/out**, I reach out and touch the prize  
Anybody seen her around

anybody seen my baby  
Anybody seen her around (lost, lost and never found)  
(Oh yeah) I must have called her a thousand times  
Oh, sometimes I think she's just in my imagination
