

Complete the song with **can, can't or could**. Completa la canción con **can, can't o could**. Solo una palabra por espacio

Baby  
It's been a long time coming  
Such a long, long time  
And I \_\_\_\_\_ stop running  
Such a long, long time  
\_\_\_\_\_ you hear my heart beating?  
\_\_\_\_\_ you hear that sound?  
'Cause I \_\_\_\_\_ help thinking  
And I won't stop now

And then I looked up at the sun  
And I \_\_\_\_\_ see  
Oh, the way that gravity pulls on you and me  
And then I looked up at the sky  
And saw the sun  
And the way that gravity pushes on everyone  
On everyone

Baby  
When your wheels stop turning  
And you feel let down  
And it seems like troubles  
Have come all around  
I \_\_\_\_\_ hear your heart beating  
I \_\_\_\_\_ hear that sound  
But I \_\_\_\_\_ help thinking  
And I won't look now

And then I looked up at the sun  
And I \_\_\_\_\_ see  
Oh, the way that gravity pulls on you and me  
And then I looked up at the sky  
And saw the sun  
And the way that gravity pushes on everyone  
On everyone  
On everyone

On everyone  
On everyone  
On everyone
