A. CHOOSE THE CORRECT ANSWER

Spelling gets worse

A recent survey has shown that many British adults find English spelling difficult. The words that people find the (1) _____ to spell include 'accommodate', 'occasionally' and 'necessary'. Researchers found that over half of the 2,000 people they questioned (2) _____ problems spelling these and other frequently used words. What's more, (3) _____ them said that a spelling mistake had caused them embarrassment at work on at least one occasion.

Many people blame technology for their bad spelling skills, saying that having a spellchecker on their computer makes them lazy. Others say they (4) _____ how to spell because they hardly ever write things by hand anymore. As one participant in the survey commented, 'If you (5) _____ it, you lose it.' The fact that many schoolchildren now do nearly all their writing on a screen means it is likely the problem (6) _____ even worse in the future.

- | | | | |
|------------------|------------------|------------------|------------------|
| 1 A difficult | B more difficult | C most difficult | D much difficult |
