

"Somebody That I Used To Know" (Gotye feat. Kimbra)

☐ But had me believing it was always something
that I'd done

☐ 5 But that was love and it's an ache I still
remember

☐ 1 Now and then I think of when we were together

☐ Now and then I think of all the times you
screwed me over

☐ CHORUS (repeated X1)

☐ Told myself that you were right for me

☐ You said that you could let it go

(CHORUS)

But you didn't have to cut me off

Make out like it never happened and that we
were nothing

And I don't even need your love

But you treat me like a stranger and that feels
so rough

☐ 11 No you didn't have to stoop so low
Have your friends collect your records and then
change your number

I guess that I don't need that though

Now you're just somebody that I used to know

Now you're just somebody that I used to know

Now you're just somebody that I used to know

☐ But felt so lonely in your company

(I used to know)
(That I used to know)
(I used to know)
Somebody

But I don't wanna live that way

Like resignation to the end, always the end

Somebody (X2)

I used to know

Somebody

Now you're just somebody that I used to know

Well you said that we would still be friends

But I'll admit that I was glad that it was over

Like when you said you felt so happy you could
die

You can get addicted to a certain kind of
sadness

Reading into every word you say

And I wouldn't catch you hung up on somebody
that you used to know

So when we found that we could not make
sense

1. Listen to the song and number the stanzas (from 1 to 20) in the correct order.
2. Identify examples of Used to in the song.
