

"Somebody That I Used To Know" (Gotye feat. Kimbra)

(I used to know)
(That I used to know)
(I used to know)
Somebody

1 But had me believing it was always something that I'd done

But I don't wanna live that way

5 But that was love and it's an ache I still remember

Like resignation to the end, always the end

1 Now and then I think of when we were together

Somebody (X2)

Now and then I think of all the times you screwed me over

I used to know

Somebody

Now you're just somebody that I used to know

19

CHORUS (repeated X1)

Well you said that we would still be friends

1 Told myself that you were right for me

But I'll admit that I was glad that it was over

1 You said that you could let it go

Like when you said you felt so happy you could die

(CHORUS)

But you didn't have to cut me off

Make out like it never happened and that we were nothing

And I don't even need your love

But you treat me like a stranger and that feels so rough

11 No you didn't have to stoop so low
Have your friends collect your records and then change your number
I guess that I don't need that though
Now you're just somebody that I used to know
Now you're just somebody that I used to know
Now you're just somebody that I used to know

You can get addicted to a certain kind of sadness

Reading into every word you say

15

1 But felt so lonely in your company

And I wouldn't catch you hung up on somebody that you used to know

So when we found that we could not make sense
