

# MULTIPLICAMOS

- Resuelve estas multiplicaciones y averigua cuántos residuos de cada tipo hay en los contenedores:

|                           |  |
|---------------------------|--|
| Vidrio                    |  |
| Plástico                  |  |
| Papel y cartón            |  |
| Restos que no se reciclan |  |
