

Max & Mandy's Wild Adventure

First things first! Read the story before doing the activities

1. Click on the pictures of the animals that Max and Mandy see on their trip:

2. Match the animals with their places:

Panda

Camel

Whale

Crocodile

Cheetah

Africa - Sahara Desert

South America

Africa - Savannah

Atlantic Ocean

China

3. Read the questions carefully. Then, choose the correct answer:

Where are Max and Mandy going?	
Which is the first stop?	
Do camels have fat legs?	
What animal do they see in China?	
Do pandas have a small head?	
Do crocodiles have lots of teeth?	
Which animal is big, but doesn't have legs?	
Can cheetahs run very fast?
