

# 4<sup>th</sup> Grade — Unit 6 — Lesson 1

Can you find what these animals do? Match the animals to the phrases. Write the letters next to the numbers:

- |               |                     |
|---------------|---------------------|
| 1. a bird     | a. swims in a bowl  |
| 2. an iguana  | b. sings in a cage  |
| 3. a sheep    | c. wiggles his tail |
| 4. a duck     | d. walks slowly     |
| 5. a dog      | e. makes milk       |
| 6. a cow      | f. likes fish       |
| 7. a cat      | g. swims in a pond  |
| 8. a goldfish | h. climbs trees     |
| 9. a tortoise | i. eats grass       |
