**PART 1**

### BRAVE AS A BEAR

SIMILES make comparisons to objects or situations that are widely accepted. Fat as a pig. Pigs are commonly known to eat a lot. Therefore, when we compare a person to a pig, we get the idea that they may be lazy or fat.

If we say someone is brave as a bear, we think the person must be courageous. Why? Are bears really brave? Bears are huge. We humans tend to think big animals have nothing to be afraid of. That's why we compare a brave person to a bear.
