Friends

In quarantine times we can't visit our friends. So, we miss them, don't we?
Let us talk about some of the things friends do together. Meet Camila and Mora. They are best friends.

Everyday, Camila and Mora wake up early in the morning, have breakfast and generally walk to school together. They enter school at 8.00 am. They are in 7th form and they are very good students. Camila likes Maths and Science. Mora is interested in the Arts and enjoys English and Art classes a lot. They always help each other with the school tasks and have lots of fun together at breaktime.

After school, they usually get their bikes and go cycling, sometimes with other friends too. On Fridays, they often have tea at Camila's house because Dora, Cami's mum, makes delicious cakes and cookies and they really love them.
