And my

Who eats nothing but jelly.

he can

What a strange and crazy family!

doesn't care

But my of all,

Mister Crazy

Is my crazy

He can sing, make us fly!

Uncle Paul

jump and jump so high!

He can eat a dozen

He can two gallons straight!

favourite one

aunt

in the family!

But I love as I love

My little

crazy family!

And we laugh and we run,

drink

Oh together we have

my crazy

Mother, father, brother, sister,

Uncle, cousins together!

Yes, I my crazy family!

Yes, I love , crazy, crazy family!

to fly

to jump

to jump
