Kid's Box Ezine! home reports games world email

★ For our first ezine we went round our school to find out more about what we learn.
We all study these school subjects: Maths, English, Science, Music, Sport, Art and Computer studies.

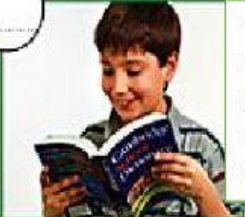

Kid's Box reports
Our School

 Older students have to study more school subjects and take important exams.

 Science is an important subject, so we do it every day. This year we're learning about plants and the human body.

 We study a second language. We can choose French, German or Spanish.

 In our Geography lessons we learn about different people and their countries.

 We use the dictionaries in the school library to help us to understand new words.

 The best subject is History. We love learning about the past!

We all agree that the best thing about school at the moment is the new ezine competition. We all want to win that prize!
