

You're Welcome

Okay, okay, I see what's happening here
You're face to face with greatness, and it's
You don't know how you feel
It's

Well, it's nice to see that never change
Open your eyes, begin
Yes, it's really me, it's Maui: breathe it in!
I know it's a lot: the hair, the bod!
When you're staring at a demi-god

What can I say you're welcome
For the tides, the sun, the
Hey, it's okay, it's okay
You're welcome
I'm an ordinary demi-guy

Hey!
What has two thumbs that pulled up the sky
When you were waddling yay
This guy!

You're welcome!
To stretch the days and bring you
Also I harnessed the breeze
You're welcome!
To fill your sails and shake your

..... what can I say except you're welcome
For the islands I pulled from the
There's no need to, it's okay
You're welcome!
Ha, I it's just my way of being me
You're welcome!
You're welcome!

Sprouted a tree, now you got coconuts
What's the lesson? What is the take-away?
Don't mess with Maui when he's on the breakaway
And the tapestry here on my skin
Is a map of the victories I

Look where I've been I make everything
..... at that mini-Maui just tippity-tapping

Well, let me say you're welcome
For the world you know
Hey, it's okay, it's okay
You're welcome!

Well, come to think of it, I gotta go
Hey, it's your to say you're welcome
'Cause I'm gonna need that boat
I'm sailing away,
You're welcome!

'Cause Maui can do anything but float
You're welcome!
You're welcome!

Andyou!
