

SEA ANIMALS

1.- Read and write the names of the sea animals.

- The octopus is green and red. It's got eight legs and a big head.
- The penguin is pink and white. It can swim but it can't fly.
- The fish is green, blue, orange and black. It's got fins.
- The shark is blue, white and pink. It can swim very fast.
- The crab is yellow. It's got big eyes and two big claws.
- The dolphin is blue and purple. It can jump.
- The jellyfish is green and yellow.

2.- Answer: What's your favourite sea animal?

3.- Find six sea animals in the word search.

A	J	E	L	L	Y	F	I	S	H
D	C	V	B	N	M	K	L	H	A
O	C	T	O	P	U	S	S	A	E
