

I CAN WAIT FOREVER

By Simple Plan

LISTEN TO THE SONG AND CHOOSE THE PROPER WORDS A-E AND FILL IN THE BLANKS 1-10.

You **1** so beautiful today

[BRIDGE]

When you're sitting there

[CHORUS]

It's hard for me to look away

So I try to find the words that I could **2**

I know it feels like forever

I know distance doesn't matter

I guess that's just the price I gotta **8**

But you feel so far away

But when I come back home to **9** your touch

[BRIDGE]

And I **A** can / can't lie

Makes it better

But every time I leave my heart **3** gray

Until that day

And I

There's nothing else that I **D** can / can't do

I wanna **4** back home to see your face

And I just can't take it

Tonight 'cause I just **B** can / can't take it

I just can't **10** it

[CHORUS]

[CHORUS] X2

Another day without you with me

Is like a blade that **5** right through me

I can wait forever

But I can wait

I can wait forever

I can wait forever

I can wait forever

I can wait forever

I **E** can / can't hold for the day

'Cause you're gonna come back to me now

I can wait forever

I can wait forever

I can wait forever

When you **6** , my heart stops beating

When you're gone, it won't stop bleeding

I can wait forever

But I **C** can / can't wait

I can wait forever

I can wait forever

I can wait forever

You look so beautiful today

It's like every time I turn around

I **7** your face

The thing I miss the most is waking up next to you

When I look into your eyes

Man, I wish that I could stay
