

WITH A LITTLE HELP FROM MY FRIENDS

What would you think if I sang out of 1).....?
Would you stand up and walk 2)me?
3)..... your ears and I'll sing you a song
And I'll try not to sing 4).....
Oh, I 5)..... with a little help from my friends
Mm, I get high with a little help from my friends
Mm, gonna try with a little help from my friends
What do I do when my love is away?
Does it 6)..... to be alone?
How do I feel by the end of the day?
Are you sad because you're 7).....?
No, I get by with a little help from my friends
Mm, get high with a little help from my friends
Mm, gonna try with a little help from my friends
Do you need anybody?
I need somebody to love
8)..... anybody?
I want somebody to love
Would you believe in a love 9).....?
Yes, I'm certain that it happens all the time
What do you see when you 10)..... the light?
I can't tell you, but I know it's mine
Oh, I get by with a little help from my friends
Mm, get high with a little help from my friends
Oh, I'm gonna try with a little help from my friends
