theatres museum turn ~~palace~~ right straight

Hi, Emma! The ¹ palace in Amsterdam looks interesting. I live in Colchester. It's the oldest Roman town in the UK. There were two Roman ² theatres here, but now there's only a Roman museum. Here's a photo!

Great! It looks really old.

Is the ³ museum near your house, Larry?

Yes, it is. You ⁴ turn left at the end of my street, and go ⁵ straight on until you come to the hospital. Then you turn ⁶ right and there it is. It's easy to find!
