# The time

Look at the clock and let´s see how to learn WHAT TIME IT IS.

The clock has two hands:
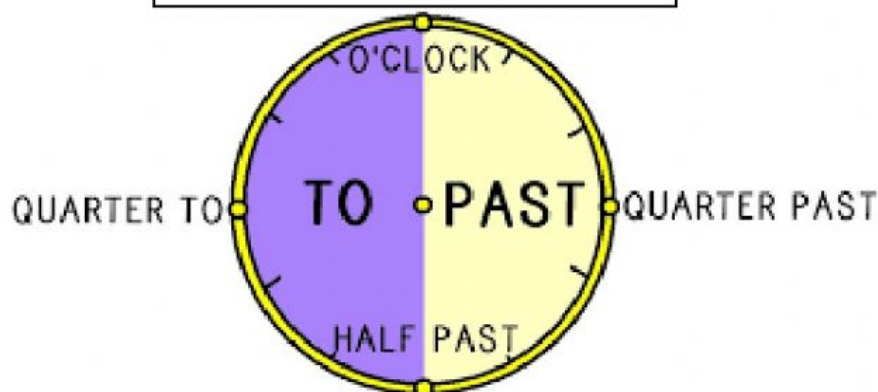

The long hand is for the minutes.

The short hand is for the hours.

.

When the long hand is on the 12.
It means that is O´ CLOCK.

O'CLOCK

QUARTER TO   TO PAST   QUARTER PAST

HALF PAST

When the long hand is on the 6. It means that is HALF PAST

THE SHORT HAND IS ON THE 9 AN THE LONG HAND IS ON THE 12.

IT´S NINE O´CLOCK

THE SHORT HAND IS ON THE 3 AN THE LONG HAND IS ON THE 6.

IT´S HALF PAST THREE
