Vlog - Plans after Uni

1. **Before watching the video, choose the correct options.**

   Check which future form you need in the grammar guide in your book. Then, check with the video.

"(...) actual graduation so my **immediate plans** for summer are in that month and a half I 1. **/'ll do - 'm doing** a little bit of traveling with my friends from home Holly and we **2. 're gonna go - are due to go** to Thailand and Bali which is **3. being - gonna be** so fun and hopefully I **4.'m doing - 'll be making** - some content for that. The only country kind of like that far away I've been to before is Morocco and that was really fun like a country where the culture is so different so I'm really **looking forward to** Thailand and Bali and obviously there is a bit of partying that goes on there so that should be really fun **loads** of students go travelling to Thailand so yeah I'm excited for that and that is for about three weeks three and a half weeks we **5.'re doing - will have done** that and then after that for the rest of my summer I have a couple of holidays with family and then my birthday's in summer I'm actually turning 21 this summer so when I **6. graduate -'m graduating** I'll still be 20 which is crazy so I **7. 'm probably going to do - 'll probably do** a couple of things to celebrate that with my families and then I would celebrate it with my friends I'm thinking of inviting them down to where I live in Essex like my **uni** friends can come down there and visit me and maybe we'll go for cocktails I don't know I'm not completely sure yet or we'll meet in London I don't know we'll do something in terms of a job I'm a really **work-oriented** person I've basically had loads of jobs on the side of uni and I really love like **internships** and I love stuff like that so I'm really excited and **buzzing** to get into a job so that's probably part of the reason why I didn't want to do a **master's**(...)
