Long long ago there lived a wise ruler. People used (49)_____ to him with their problems, and he often gave some useful advice. One man, though, kept coming to the ruler and complaining about the same problem over and over again. The wise ruler gave his opinion about the problem and said what the man should do to (50)_____ it. However, the man didn't (51)_____ the ruler's advice and continued coming to his house always moaning and groaning.

One day, the ruler (52)_____ to him and then decided to tell him a joke; the joke was funny, and the man roared (53)_____ laughter.

After a few minutes, when the man returned to his problem, the ruler told him the same joke, and the man only smiled (54)_____ laughed.

When the ruler told the same joke for a third time, the man did not laugh or smile (55)_____. Rather, he looked (56)_____.

The wise man smiled and said: «You can't laugh at the same joke over and over. So (57)_____ are you always complaining about the same problem? Complaining won't solve your problems, it'll (58)_____ waste your time and energy.»
