Word Building

Week 18 Tuesday

Draw a line to match the word to the correct definition

Quick Lesson

the latin root word port means to carry, to bring, or to bear

port + able = portable = if something is portable, you can move it easily. my laptop is portable, so i can carry it onto the plane.

deport	to bring information to others
export	to send someone out of the country
import	to hold up, to assist
report	to carry or move from one place to another
support	to send goods from one country to another country
transport	to bring goods into one country from another country
