

Sequencing is putting things in order, *from first to last*.

~~~~~

Here are some examples. Write the number 1 in the box beside what happened *first*. Write the number 2 in the box beside what happens *second*. Write the number 3 in the box beside what happens *third*. Write the number 4 in the box beside what happens *last*.

1. What happened *first, second, third, and fourth*? 1-4?

|                                                                      |  |
|----------------------------------------------------------------------|--|
| Patty went to the market carrying her pail of milk on her head.      |  |
| Patty thought she would sell the chicken eggs to buy a dress.        |  |
| Patty thought she would buy chickens with the milk money.            |  |
| Finally, Patty tossed her head, the pail fell, and the milk spilled. |  |

2. What happened *first, second, third, and fourth*? 1-4?

|                                                             |  |
|-------------------------------------------------------------|--|
| Fox bragged about his tricks for getting away from the dog. |  |
| Cat listened to Fox, then said that she just had one trick. |  |
| Cat was sitting under a tree, when Fox came along.          |  |
| Cat ran up the tree, and the dog chased after Fox.          |  |

3. What happened *first, second, third, and fourth*? 1-4?

|                                                              |  |
|--------------------------------------------------------------|--|
| Donkey tried to sit in the Farmer's lap, and got a scolding. |  |
| Dog said the Farmer liked him best, but Donkey disagreed.    |  |
| Donkey said the Farmer liked him best.                       |  |
| Dog sat in the Farmer's lap, and got a biscuit for a treat.  |  |

4. What happened *first, second, third, and fourth*? 1-4?

|                                                                     |  |
|---------------------------------------------------------------------|--|
| The fox asked the tiger to explain how he got trapped.              |  |
| The fox let the tiger out of the cage, and tiger wanted to eat him. |  |
| The tiger went into the cage, and the fox shut the door.            |  |
| A tiger begged a fox to open the cage he was trapped in.            |  |

5. What happened *first, second, third, and fourth*? 1-4?

|                                                              |  |
|--------------------------------------------------------------|--|
| Town Mouse went to visit Country Mouse.                      |  |
| Country Mouse did not like the danger at Town Mouse's house. |  |
| Town Mouse did not like the food at Country Mouse's house.   |  |
| The two mice went to Town Mouse's house.                     |  |
