

Lesson 5

Song

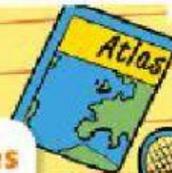

1

Listen and match. Then sing.

$$6 \times 4 = 24$$

The School For Young Detectives

At the School for Young Detectives,
We have **English** just like you.

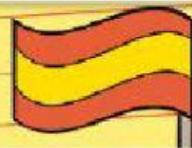

Art, math, geography,
Computer studies, too.

At the School for Young Detectives,
We have **science** and **P.E.**

We don't have time for **recess**,
We're finding clues you see.

At the School for Young Detectives,
We have **Spanish** and **history**.

We don't have time to eat our lunch,
We're solving mysteries.

2

Listen and say the chant.

Spanish at school, Spanish at school.
We have Spanish at school today!

¡HOLA!
