

Five things you don't usually hear a woman say

1. "No, thanks. I don't like chocolate"
2. "I know it's our anniversary next Saturday, but let's not go out. Let's stay in and watch baseball game"
3. "I want to buy new car - I really like new BMW. It has fuel injection and does 180 kilometers hour"
4. "I'm glad you like junk food. I love men with fat stomachs. I find them very attractive"
5. "Don't worry, I wasn't expecting present. I don't like presents anyway"

Five things you don't usually hear a man say

1. "I see Brad Pitt has new movie out. Would you like to go to movies tonight and see it?"
2. "I'm completely lost, so I'll stop and ask woman over there for directions"
3. "I thought sheets needed changing, so I put them in washing machine"
4. "I think red dress looks nice, but take your time. There are lots of other stores we can try"
5. "I really admire the way you can go out to work, run house, and raise children so well"
