My two best friends are Chris and Adam. They are very different. Chris and I are always laughing because he is very **funny** ✓ ▾ , but Adam is very ▾ . He doesn't smile much. A lot of people think he is unhappy but he isn't, he's quite ▾ really! He is also a very ▾ person, especially at school, where he doesn't talk much. Chris is the opposite. He's ▾ to everyone and never stops talking! I'm not good at Science like they are, but they are both really ▾ and help me with my homework or before an exam. Last term I was nervous before a Physics exam! Chris and Adam never panic. They told me to be ▾ , stay ▾ , and do the exam. And they were right, it wasn't a difficult exam and I passed!
