My name is John. I'm forty years old and I'm a mechanic. I'm famous in my town. People call me when their cars don't work properly.

I wake up at quarter to six in the morning. I get dressed and have a cup of coffee and biscuits for breakfast. Then, I go to my shop. I arrive at half past six. I work twelve hours a day from Monday to Friday. Sometimes, I work on Saturday mornings, too!

I go back home at seven o'clock in the evening. I have a shower and watch my favourite TV programme. At nine o'clock I have dinner. I love when my wife, Matilde, cooks pasta! She works at a restaurant. After dinner, we go to bed. We're very tired!
