

J K listening activities

I.- Listen to the following audio

II.- Complete with the missing verbs

J k Rowling is the author of the books about Harry Potter by Daniel Radcliffe in the films. At University Jk french and the classics. Her first husband was Portuguese, but unfortunately their marriage was not a success. After she was very sad and a lot, she was unemployed and poor. jk wrote the first Harry Potter book, in the Nicholson's cafe in Edinburgh, then JK went to find a publisher, she sent her first book to 12 publishers in England, but they didn't like it, fortunately a little girl named Alice was reading the first chapter, she is the daughter of a publisher and he agreed to publish The book. Six more books followed and the films of course. Now Jk isn't sad, or worried about money. In fact her life is more magic, than Harry Potter's.
