

What were you doing?

BASIC

Hi Mike! What were you doing yesterday evening?

I tried to phone you? But you didn't answer the phone.

Oh really? How come?

I see, and you didn't have your mobile phone around?

You won't believe it: I was fixing my bike!

Yes, I had the same problem with the tyre as you!

You too? What a coincidence!

Let me think ... why?

🤣 Haha 🤣, we were both doing the same thing at the same time!

My bike had a flat tyre and so I had to find the reason for it.

Now I know: I was fixing the inner tube of my new bike.

No, sorry, I didn't. So, what were you doing after you couldn't phone me?
