Reading Practice : Was - were

1 Read the following text

Last week, there was one really, really bad day. It was Monday. There are always 25 students in my class, but that day, there were only 5 people!

It wasn't warm. In fact, it was really cold. It was raining a lot. It was dark and gray outside. There wasn't any sunlight.

I think the students weren't at school because they were sick. They were at home. Maybe they were in bed.

Mr. Jones is our teacher. He is always at school. He is never at home on a Monday. Last Monday was no different. He was not in bed. He was in the classroom, and he was cold!

He was cold because the heater in the school was broken. It was freezing. The school was like a refrigerator. Our room was like a freezer! The small class was cold, cold, cold!
