

## Describing Things

### Drag the object to its description

1. We are usually rectangular shaped and made of paper. We tell you stories and help you learn many things. You carry us to school. You can buy us. What are we?

2. I need electricity to work. You can play with me. You can also work with me. I am made of plastic, metal and glass. You can send messages through me. What am I?

3. I can be soft or hard. I can be pink, orange yellow etc. I am cold. Children usually like me. My favourite place is the freezer. What am I?

4. We are used in class and at home. Be careful when you use us because we are made from very sharp metal. For some people we are tools. What are we?

5. Sometimes I am frightening. Sometimes I look friendly. I often wear a hat. Birds don't like me. I live in gardens or fields. What am I?

6. I am very soft and can absorb a lot of water. I come from the sea. People use me for cleaning dishes, windows and cars. What am I?

7. I am made of wood. Sometimes I have only 3 legs and sometimes I have 4. I am usually found in homes or coffee shops. People like to sit on me. What am I?

8. I am very soft and fluffy like a cloud. You get me from a plant and sometimes use me to make clothes. I often used in hospitals, too. What am I?

9. I am made of tough skin or leather. I can be many colours. People use me to protect their feet from dirt or getting hurt. What am I?

10. I am usually made of metal and glass. I am smooth and shiny. When you look at me you will see yourself. What am I?
